1. Software Installation Guide

Installation Instructions for Windows VISTA

- The installation instructions for Windows Vista are the same as for other type of Windows.
- Important thing is to ask Stefanelli the file msvbvm50.dll which you must copy into c:\windows\system BEFORE INSTALLATION of Stefanelli software.

Installation Instructions for - Windows 95/98/ME/NT/2000/2003/XP/

- To install from the STEFANELLI CD, simply insert the CD into the drive.
- To install the download version (recommended, as it will be the most up-to-date), first download the installer 'TARATURE PROGRAM v.2.1' from the Stefanelli Group website: <u>http://www.stefanelligroup.com</u>

Whether from a CD or from a download, the installation instructions from this point are the same.

Below 4 STEPS to install the software:

STEP 1. Run the install file setup.exe from the CD's root directory
